Dear Brother Jimmy, Pam, Jeffery, Terry, Lisa & Mabry Family,

Nothing can prepare you for what its like to lose your wife, mom, grandmother, great grandmother or sister.

Your mother was your first friend and playmate. She was the one who rocked you as a baby, patched you up as a child, and eased your heartaches. She helped you plan your wedding and coached you on the ins and outs of being a first-time parent. In a sense, your mother was the biggest part of your life.

A virtuous woman is a crown to her husband: Proverbs 12 :4. Sunset had fallen on the life of a beloved woman who inspired us all with her love for you and your children. She has left a deep mark in our hearts and life. We feel blessed for having known her.

We have may fond memories of her working in our church with the "Junior" Choir, Missionaries, Ladies Auxilary, Sunday School, various other ministries "Avon calling" and the Department of Social Services. We especially remember taking our children on a trip from the church to Hershey Park in our 5th Wheeler in the 70's. We had a wonderful time together. Your loved one, our friend, was a loving, caring and dedicated person; who was always willing to do her part for anyone.

May it comfort you to know we share your loss. We offer our prayers of comfort to all of you at this painful time.

*May God lead you each and every step of the way
that you will take without your wife and mother.*

With Love & Heartfelt Sympathy,
The Bowles & Allen Family

*It takes a minute to find a special person, an hour to appreciate them, and a day to love them,
but it takes an entire lifetime to forget them.*
