## Garden Wall Project Add Your Personalized TILE

JacksonBlacksmithShop.org

The Jackson Blacksmith Shop is proud to offer its **Garden Brick Tile Fundraiser** for an honorary garden wall, being installed on the grounds of the historic Jackson Blacksmith Shop in Goochland, Virginia. Engraved bricks tiles can be ordered to honor or memorialize family members, community organizations, business and individual patrons and any other person that you would like to recognize though this historic landmark. All proceeds will go towards educational purposes and for maintaining the shop property and programs. See below to learn how you can help "keep the fire" flaming at the Jackson Blacksmith Shop, which was registered as a National Historic Landmark in 1997. Order a custom made brick tile for our shop garden. The cost is \$50.00 for a 4"x8" tile and \$100 for an 8x8 tile. You can also add one of the many images to the tile for an additional \$15. The Jackson Blacksmith Shop would like to thank you in advance for your continued support.

\$50 (4x8) or \$100 (8x8) Text only - Add \$15 for clip art. If ordering a logo or clip art with your text, please do not enter text in shaded area.
